INFORMATION

Alumni Association Design Academy Eindhoven

The alumni association is a platform for all graduated designers who had their education at the Design Academy Eindhoven (named until 1997: **Academie voor Industriële Vormgeving**).

The academy was founded 57 years ago and includes at present more than 1600 alumni.

The website is a tool to intensify the relation amongst alumni themselves and between the alma mater.

Alumni and Design Academy Eindhoven will publish their exhibitions and events, show their portfolios and insert vacancies.

The platform organises a program with lectures and workshops, exclusively for alumni. The annual Graduation Show with a Homecoming Day is included in the programme. The catalogue can be ordered on special alumni reduction by the website.

Design Academy Eindhoven attaches much value to contacts with her alumni. In this way she can get information about the present interests for the future of the professionals and other important needs. The association communicates with her members the many vacancies offered to Design Academy Eindhoven. After permission by the alumnus industry may see the portfolio. Since industry often appeals to the Design Academy

DESIGN ACADEMY ALUMNI

Design Academy Eindhoven invites all her old-graduates to join the Alumni association. This association offers the graduated student the possibility to keep in touch with the Design Academy and to get in touch with other graduates. There is a job-vacancies bank available, you can post your events on the calendar and will be invited to workshops, seminars, lectures and excursions. It is an opportunity to inform the Academies Friends and other visitors about your work. To join, please register.

COMPANY INFORMATION

Design Academy Eindhoven website

Voor de afgestudeerde studenten van de Design Academy Eindhoven is een website gecreëerd die de portfolio's van de alumni continu broadcast. Snaps vanuit het gehele portfolio aanbod worden wisselend getoond om de diversiteit, veelzijdigheid en kwaliteit van de alumni te tonen.

De alumnu heeft zelf de mogelijkheid om zijn/haar content in het portfolio aan te passen, bij te werken en geheel zelfstandig te onderhouden. Naast de redactie van de Design Academy en de Alumni hebben ook de vrienden van de Design Academy en geïnteresseerden zoals opdrachtgevers, producenten en headhunters toegang tot het systeem om vraag en aanbod te plaatsen. Het is een perfecte plek om de markt in contact te brengen met de ontwerpers, gefaciliteerd door de Design Academy. Dertig jaar alumni portfolio's worden op deze site ingevoerd, waardoor de buitenwereld een mooi overzicht krijgt van wat de Design Academy heeft voortgebracht.
